Laboratory Plastic Recycling: Sustainable Research at Uni Wien & beyond

24 February 2026, 16:00 to 19:00

© Ian Ehm

How can laboratory plastic be recycled and
research made more sustainable?

Registration
is required!

This symposium offers practical insights into lab plastic recycling, the fate of lab waste and sustainable lab practices at Uni Wien and beyond.

University of Vienna Biology Building (UBB), Djerassiplatz 1, 1030 Vienna
